“Discover and build on the root causes of success”

2 min

1

Form pairs and sit face-to-face.
Have a notebook at hand.

15 min

2

In turns, interview each other
about the personal success story.

- What happened?
- What made the success possible?

15 min

3

Form groups of 4. Retell the story
of your partner. Identify and collect
insights together.

15 min

4

With everyone, gather insights and
patterns on a flip.
