# UX Fishbowl

*"Share know-how from experience with a larger community"*

**2 min** (1) Explain the fishbowl configuration and steps.

**15 min** (2) Inner circle conversation goes on until it ends on its own.

**4 min** (3) Participants in outer circle formulate their observations and questions.
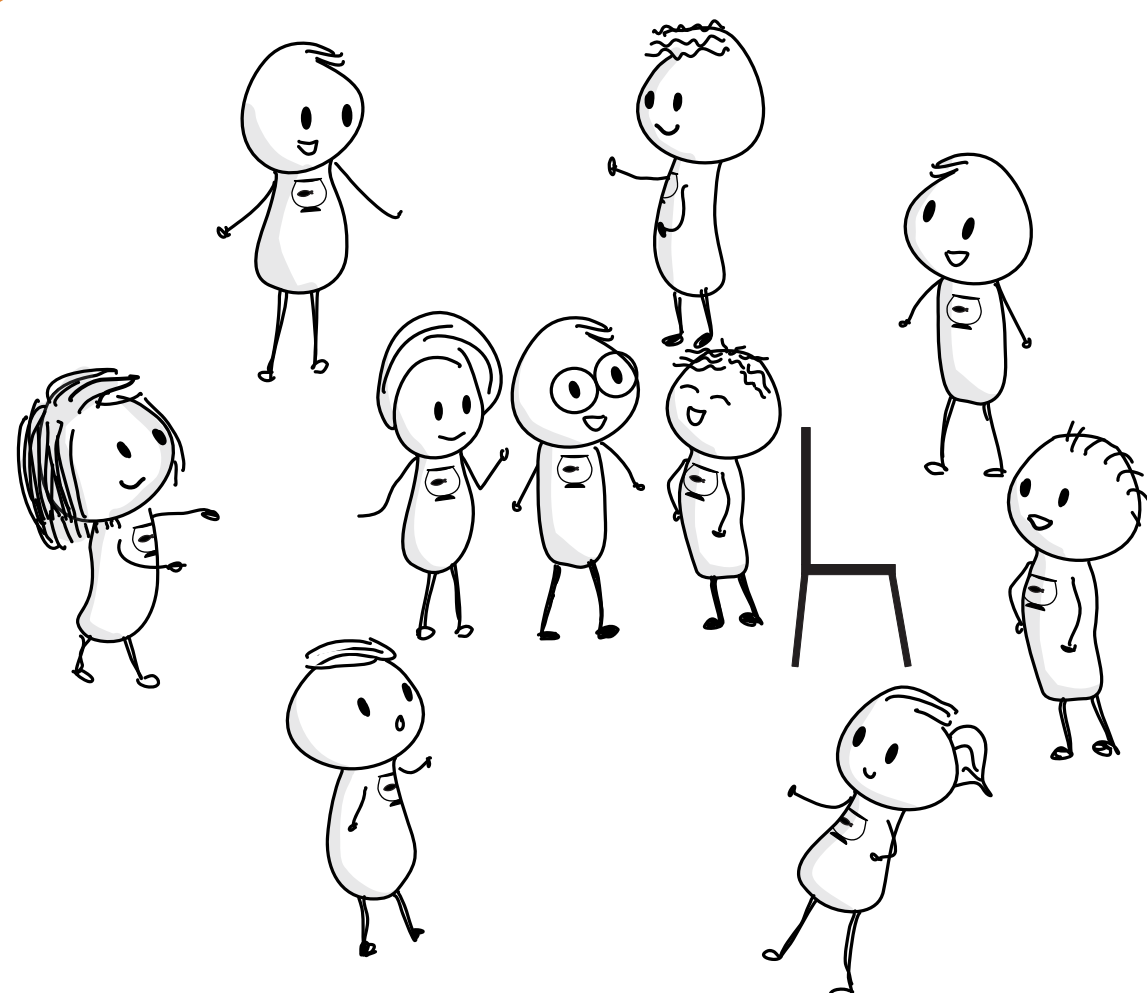

**20 min** (4) Questions submitted to the inner circle are answered, and back-and-forth interaction between the inner and outer circles goes on as needed until all questions are answered.

**10 min** (5) Debrief using W3 and ask: "What seems possible now?"
